

ATTENTION all Kroger shoppers

Are you taking advantage of the 5% rebate???

This is one of the easiest, FREE, ways to earn money for the school AND credit toward school fees for your family. Here's how it works...

- Buy a special \$25 gift card from the SHS office
- To add more to the gift card, visit any Kroger customer service
- Use this gift card every time you shop at Kroger (gift cards work at the gas pumps, too!)

Kroger tracks each time you reload your card and pays a 5% rebate to SHS. SHS holds 2 ½% in your family account to be distributed in total in May.

It adds up fast, for example over one year ...

ONE FAMILY, ONE CARD

Spending \$6,000 annually (average of \$500 a month)

SHS rebate = \$150 AND family rebate = \$150

IF 50 FAMILIES PARTICIPATED

Spending \$300,000 annually (average of \$500 a month per family)

SHS rebate = \$7,500 AND family rebates = \$7,500

IF 100 FAMILIES PARTICIPATED

Spending \$600,000 annually (average of \$500 a month per family)

SHS rebate = \$15,000 AND family rebates = \$15,000

Want to increase your rebate? Buy cards for family, friends and neighbors who shop at Kroger. All cards you buy will be linked to your family account.

Don't wait any longer. Reload your existing Kroger gift card or drop by the office to purchase a new one. Get started today!!!
